

Applications for Department of Army Permits under Section 404 of the Clean Water Act

http://www.phosphateaeis.org/doc_draft_aeis.html

The applications for the four similar actions being evaluated in the AEIS are provided here to facilitate public review of the Draft AEIS. Please do not comment on the individual applications via the AEIS website. The public notices for the four similar actions, including information on providing comments on the individual applications, can be found at this website: http://www.saj.usace.army.mil/Divisions/Regulatory/publicnotices_Florida.htm. In order to view the notices, access the web page provided, and left-click on the file number of the specific project to open the Public Notice.
